- In the track of Project Proposal, moderators and adjudicators gather at the first poster presentation and move sequentially.
- Award: Best Project Proposal (Prize: HKD 500 Book Voucher)

Guidance for Speaker: **Poster Presentation Format**

The following guidelines and information will assist you in conducting the poster presentation:

Presentation Materials – Printed Poster

- The poster should be prepared in English in ONE page and no larger than 80cm (W) x 120cm (H). It must be in portrait orientation. Posters on several sheets are not allowed.
- Please create the poster with below important fields included:

For Original Research	For Project Proposal
<ul style="list-style-type: none"> - Poster title, author(s) and affiliation - Objective(s) - Methods - Results - Discussion and Conclusion - Reference 	<ul style="list-style-type: none"> - Poster title, author(s) and affiliation - Objective(s) - Methods - Potential implication - Reference

- It is recommended to use a plain background without patterns or dark colors. The poster should be written in common cross platform font style (e.g. Times New Roman, Arial). Font size depends on the actual poster size, please guarantees clear reading even from a distance of 1-2 meters.

Poster Setup on Conference Day

- Please print the poster on your own and bring it to the conference venue to set up. The Conference does NOT handle the printing or set up of any poster.
- Poster presentation will take place outside the conference venue where poster boards and blue-tack will be available.
- Please set up between **08:30 – 09:00** and leave posters up throughout the day. Remember to dismantle your poster **by 17:45** on the same day. Otherwise the posters will be discarded.
